## Make a Bird Feeder

**Supplies :** pipe cleaners, Cheerios™ Cereal (or similar shaped cereal), string/yarn/ribbon

1. Fold the 1st pipe cleaner in half, then unfold it. That fold becomes the top of your heart.
2. Thread the Cheerios™ onto your pipe cleaner. Leave a little space at the end so you have some room to work with.
3. Carefully bend your 1st pipe cleaner into the shape of a heart. Twist the ends of the pipe cleaner to close it.
4. Repeat steps 1 and 2.
5. Carefully bend your 2nd pipe cleaner into the shape of a heart but this time connect the hearts first and THEN twist the ends of the pipe cleaner to close the 2nd heart.
6. Attach string, yarn, or ribbon to the top and find a nice spot to hang it outside.

### Two Little Blackbirds

Two little blackbirds sitting on a hill.  
One named Jack and the other named Jill.  
Fly away Jack, fly away Jill.  
Come back Jack, come back Jill

### I Saw a Little Bird

I saw a little bird go  
hop, hop, hop.  
I told the little bird to  
stop, stop, stop.  
I went to the window to say 'How do you do?'  
He wagged his little tail  
and far away he flew!
