Please Note

- Late fee(s) will not be charged on Sundays, Holidays & other Library closed days.
- All resources are eligible for up to \$2.50 in late fees per resource.
- **Library accounts will be blocked from further activity at \$10.00.**
- Payment forms accepted: cash, check and online credit payment via the Library's Public Access Catalog.
- Resources will be assumed lost after 30 days overdue at which time the full cost of the resource will be charged to the customer's account in addition to the late fee(s).
- Assumed lost fee(s) will be waived when a resource is returned in good condition after 30 days overdue; the customer will still be responsible for the late fee(s).
- Customers paying for lost resources that are later found may request a refund of the assumed lost fee(s) paid by bringing the resource and the original paid receipt to the Library within 30 days of the payment. The County will mail the customer a check for the assumed lost fee(s). This process based on policies set by Osceola County, not the Library. The customer will be responsible for the late fee(s).
- As custodians of both the tax payer supported resource collection and of the public trust, the Library is committed to the consistent & equitable application of fees. The Library does not attempt to judge the circumstances of one individual as more or less deserving over that of another as a basis for providing exceptions to paying fees. As such, the Library does not waive fees based on cause.
