

Activity Packs

All summer long bring the Library home with you during our LIVE virtual programs as we explore different fairy tales. Most LIVE Youth programs will have an accompanying Activity Pack sharing the same theme.

Pick up your Activity Packs at your local Osceola Library branch the week prior to its paired LIVE Youth program.* Then tune in at **2pm, Tuesdays & Thursdays** for fun and crafts with your favorite Youth Staff and items in your pack. **

Inside each Activity Pack you'll find instructions for creating your own themed craft or experiment as well as some of the supplies needed. Access links to all programs can be found at

osceolalibrary.org/summer-learning

**Beanstack codes from LIVE events expire (will be removed from the video) after 24 hours.*

***Quantities are limited. Don't delay in picking up a pack before they're gone. Activity pack instructions can be downloaded from the above website.*

Beanstack

Beanstack is your one-stop-shop for tracking your reading habits, completing challenges, and winning prizes! **Login to your Beanstack account to complete Adult and Youth challenges all summer long.**

Tune in for our LIVE programs for a special "Beanstack code" for more chances to win!

Beanstack is easy to use and available both online and as a mobile app on Apple and Android devices. Get started by visiting our Osceola Library Beanstack website at
